Shown and sold/donated at the Las Campanas Hacienda Clubhouse July 2020 (annual LC Community Fund). Painted out Buckman Road at the Diablo Canyon, often used for movie sets. A 2-mile trail leads down to the Rio Grande. (One can see the canyon from the White Rocks Overlook near Los Alamos). The area around the canyon is being upgraded with the long rocky, dusty road also improving. This is only 7 miles from my home, but it does take a while to travel on that road. One can imagine how long a horse ride took.
