

# Chromatic Lands III 5:4 Dynamic Symmetry Armature with Rebated Squares

Karen Halbert Artist  
[www.karenhalbert.com](http://www.karenhalbert.com)

<b>Material</b>	Oil
<b>Size</b>	8x10
<b>Price</b>	\$400

Part of a series to capture the brilliant chroma of the fall in the Jemez and Sangre de Cristo Mountains.

Armature: The dotted diagonal lines are the diagonals of the constructed squares (they cross each other at 90 degrees). The rabatment lines provide additional directional lines that add to the movement of the painting.
